Interview Topics

Conversational Spark-plug. Engaging Storyteller. Complacency Shaker.

Beverley's ever-inquiring mind and boundless idealism makes for a lively counterpoint in any fully engaged discussion.

You'll want to ask Beverley about...

1. The intriguingly unusual way "Confessions" came about
2. Her one-of-a-kind definition of "hippie"
3. The book's unconventional target audience
4. Traditional vs. alternative medicine in today's consumer landscape
5. Her adventures in raising a child TV star
6. Hilarious celebrity encounters...in and out of the music industry
7. Her inspirational views on "Boomer Beauty" for women with aging anxiety and body-image blahs
8. Astrology and how our times relate to the birth of the hippie movement in the mid-60's
9. "Legendary Lil," her 97-year-old mother, as a powerful role model
10. Her trailblazing acts of modeling vulnerability through the written word
11. What it means to embody a "paradigm shifter"
12. Her personal philosophy: "Life as a work of art"
13. And of course, her lyrical songwriting that inspires via passionate storytelling
